*14 Then if my people who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, I will hear from heaven and will forgive their sins and restore their land. - 2 Chronicles 7:14*

Birthered out of tragedy, The Prayer Movement continues today as a hedge of protection. Our state, our nation, and our community were rocked on July 7, 2016, when Dallas Police officers were ambushed. Five officers were killed. Nine additional officers were injured along with two civilians.

Pastor Ralph Dawkins, Senior Pastor at Christian House of Prayer, felt compelled to contact Pastors around our community and call them and their congregants to a time of prayer at our local Police Station. The next day, Friday, July 8<sup>th</sup>, 7pm, about 200 people gathered to pray for our officers and nation.

During that time of prayer, Mary Lou Watkins, senior co-pastor at Freedom Fellowship, felt a strong unction this call to prayer should continue in our community. From that initial gathering, a handful of Pastors continued to meet and launched what we now know as The Prayer Movement. It has met monthly since its inception, each month at a different location throughout our community and being led by a different pastor or ministry group.

It is open to everyone. We always meet on the first Thursday of the month at 6:30p.m. for a time of Praise, followed by Prayer at 7:00p.m. Each gathering has been unique, powerful, and has touched lives. Only God knows what evil plans have been diverted because of these prayers. Possibly even the ambush that was set here in San Angelo to kill police officers unraveled because of the prayers that had been prayed.

Come join us for this special time. If you need healing, you can receive prayer for healing. While our focus is for our community, it also includes the people and their needs within our community too. We will look forward to seeing you there. Our next gathering is:

February 1, 2018 - 6:30 p.m. - Producers Park off of Ricks Drive.
